

ICIMP2019

January 10-12, 2019
Laxenburg, Austria

2019 2nd International Conference on Information Management and Processing (ICIMP 2019) will be held during January 10-12, 2019 at Schlossplatz 1 - A-2361 Laxenburg, Austria, the headquarters of International Institute for Applied Systems Analysis.

Call For Papers

1. Basic and applied research in information science, computer science, cognitive science and related areas that deals with: the generation, representation, organization, storage, retrieval, and use of information; the nature, manifestations, behavior, and effects of information and knowledge; communication and distribution of information and knowledge; and human information behavior.
2. Experimental and advanced processes related to: information retrieval (IR); digital libraries; knowledge organization and distribution; digitized contents - text, image, sound and multimedia processing; and human-computer interfaces in information systems. Implementations in information retrieval systems and a variety of information systems, networks, and contexts. Related evaluation.
3. Management of information resources, services, systems and networks, and digital libraries. Related studies of the economics of information and the principles of information management.
